

The 16th Meeting of Consortium for Globalization of
Chinese Medicine 2017

中药全球化联盟

CONSORTIUM FOR
GLOBALIZATION OF
CHINESE MEDICINE

August 19, 9:30-12:00

Natural products I (Biological Activity) Shenzhen Hall block 2

Chairman :

Xin Sheng Yao, Jinan University

Co-Chairman:

Yeong-Shik Kim, Seoul National University

Mei Wang, Leiden University

Panelist:

Mei-Cun Yao, Sun Yat-Sen University

Chin-Chung Wu, Kaohsiung Med. University

Jian-Hui Rong, The University of Hong Kong

36 poster presentations. 10 selected for short oral presentations

The 16th Meeting of Consortium for Globalization of
Chinese Medicine 2017

中药全球化联盟

CONSORTIUM FOR
GLOBALIZATION OF
CHINESE MEDICINE

Research area:

Various technologies for screening of bioactivities (including virtual screening etc);

Diversities of natural sources;

Working mechanisms of natural products;

Various bioassays (cell line, animal model systems, etc.)

The 16th Meeting of Consortium for Globalization of
Chinese Medicine 2017

Discussions :

- **Where we are going for natural product research?**
- **What kind to cooperation platforms are encouraged?**

中药全球化联盟

CONSORTIUM FOR
GLOBALIZATION OF
CHINESE MEDICINE

Do we need to screening more herbal plants?

If you do not change direction,
you may end up where you are heading.

Lao Tzu (604 BC - 531 BC)
